

Chem 14D: Spring 2013
Instructions for Setting-Up the 'Clicker' on a Web-Based Device

1. Go to the following website:

<http://store.turningtechnologies.com/>

2. In the pop-up window, enter the 'School Code':

Code: **oMU9** (this is case sensitive)

3. Purchase Product ID #: RWW-12 "ResponseWare Annual License" for \$15.00

4. After completing the purchase, you will receive the License information by email.

5. Follow the directions in the email to create an account with ResponseWare.

6. With an account and license, you will be able to use a Web-based device as your classroom clicker.

To download the appropriate app for an iPhone or Blackberry, visit this website:

<http://www.rwpoll.com/download.aspx>

7. To use your hand-held device in class:

- launch the app
- enter the 'session ID' (provided in class)
- enter your personal login information

Note: you will also have to pay for the data plan on your hand-held device

Please do not forget to register your clicker device in order to be eligible for extra credit participation points. To register, follow the instructions on this website:

<http://www.chem.ucla.edu/14D-S13/Clickers.html>
