Chemistry for Life[®]

American Chemical Society

American Chemical Society

Student Members of the American Chemical Society, UCLA Chapter [SMACS-UCLA]

Fall General Meeting #1

Monday September 30, 2013

2013-2014 OFFICERS

WEBMASTER

Daria

PRESIDENT

Sara

Wakana

SECRETARY

**Jason,
Samuel,
Harrison**

VP INTERNAL

**PUBLICITY AND
SOCIAL**

December

VP OUTREACH

**Grace,
Charlotte**

Yuyu

**EDUCATION
CHAIR**

**Jack,
Nanetta**

TREASURER

Dr. Garcia-Garibay

CHEMISTRY-BIOCHEMISTRY
DEPARTMENT CHAIR

Dr. Kaner

SMACS FACULTY ADVISOR

Kris Marsh

SMACS GRADUATE STUDENT ADVISOR

AMERICAN CHEMICAL SOCIETY

THE WORLD'S LARGEST CHEMICAL SOCIETY

- **Careers:** ACS offers a variety of professional development resources to help advance their careers.
 - **Networking:** Access the world's largest scientific association which includes 164,000+ members.
 - **Internships and Opportunities:** ACS provides its members with the resources and opportunities needed to enrich their programs of study.
 - **Research and Publications:** Stay up-to-date in world chemical news and breakthroughs in research with ACS publications.
 - **Outreach and Advocacy:** Get involved in the community and meet other ACS members through a variety of outreach programs. Stay up-to-date on federal legislation and contact members of Congress through ACS networks.
-

OUR MISSION

- 1) to help undergraduates in the Chemistry and Biochemistry Department become more **informed** about possible science careers in **academia, industry, health, the government, and alternative paths**
 - 2) to foster a sense of **community** among Chemistry undergraduates, graduate students, and faculty
 - 3) to **excite youth** about Chemistry
-

**FACULTY RESEARCH
PRESENTATIONS**

INFORMATION PANELS

INDUSTRY INFO SESSIONS

**“PROFESSIONAL SKILLS” BUILDING
& PROFESSIONAL SCHOOL WORKSHOPS**

OUTREACH

SOCIALS

S.T.E.A.M.
NATION

Saturday October 19, 2013
9AM-12PM

West LA College

exploring your universe

UC CEIN

fun for all ages
FREE!

Nov. 10, 2012

on **UCLA**
Campus

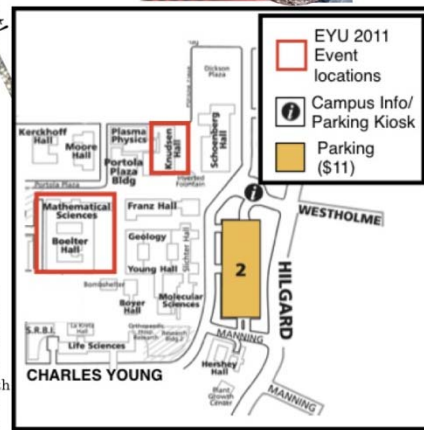

12 pm-5 pm:
Science demos
& Activity
booths

UCLA
ASTRONOMY
LIVE!

Make your own comet!

See meteorites up close!

5 pm-8 pm:
Telescope viewing &
planetarium shows

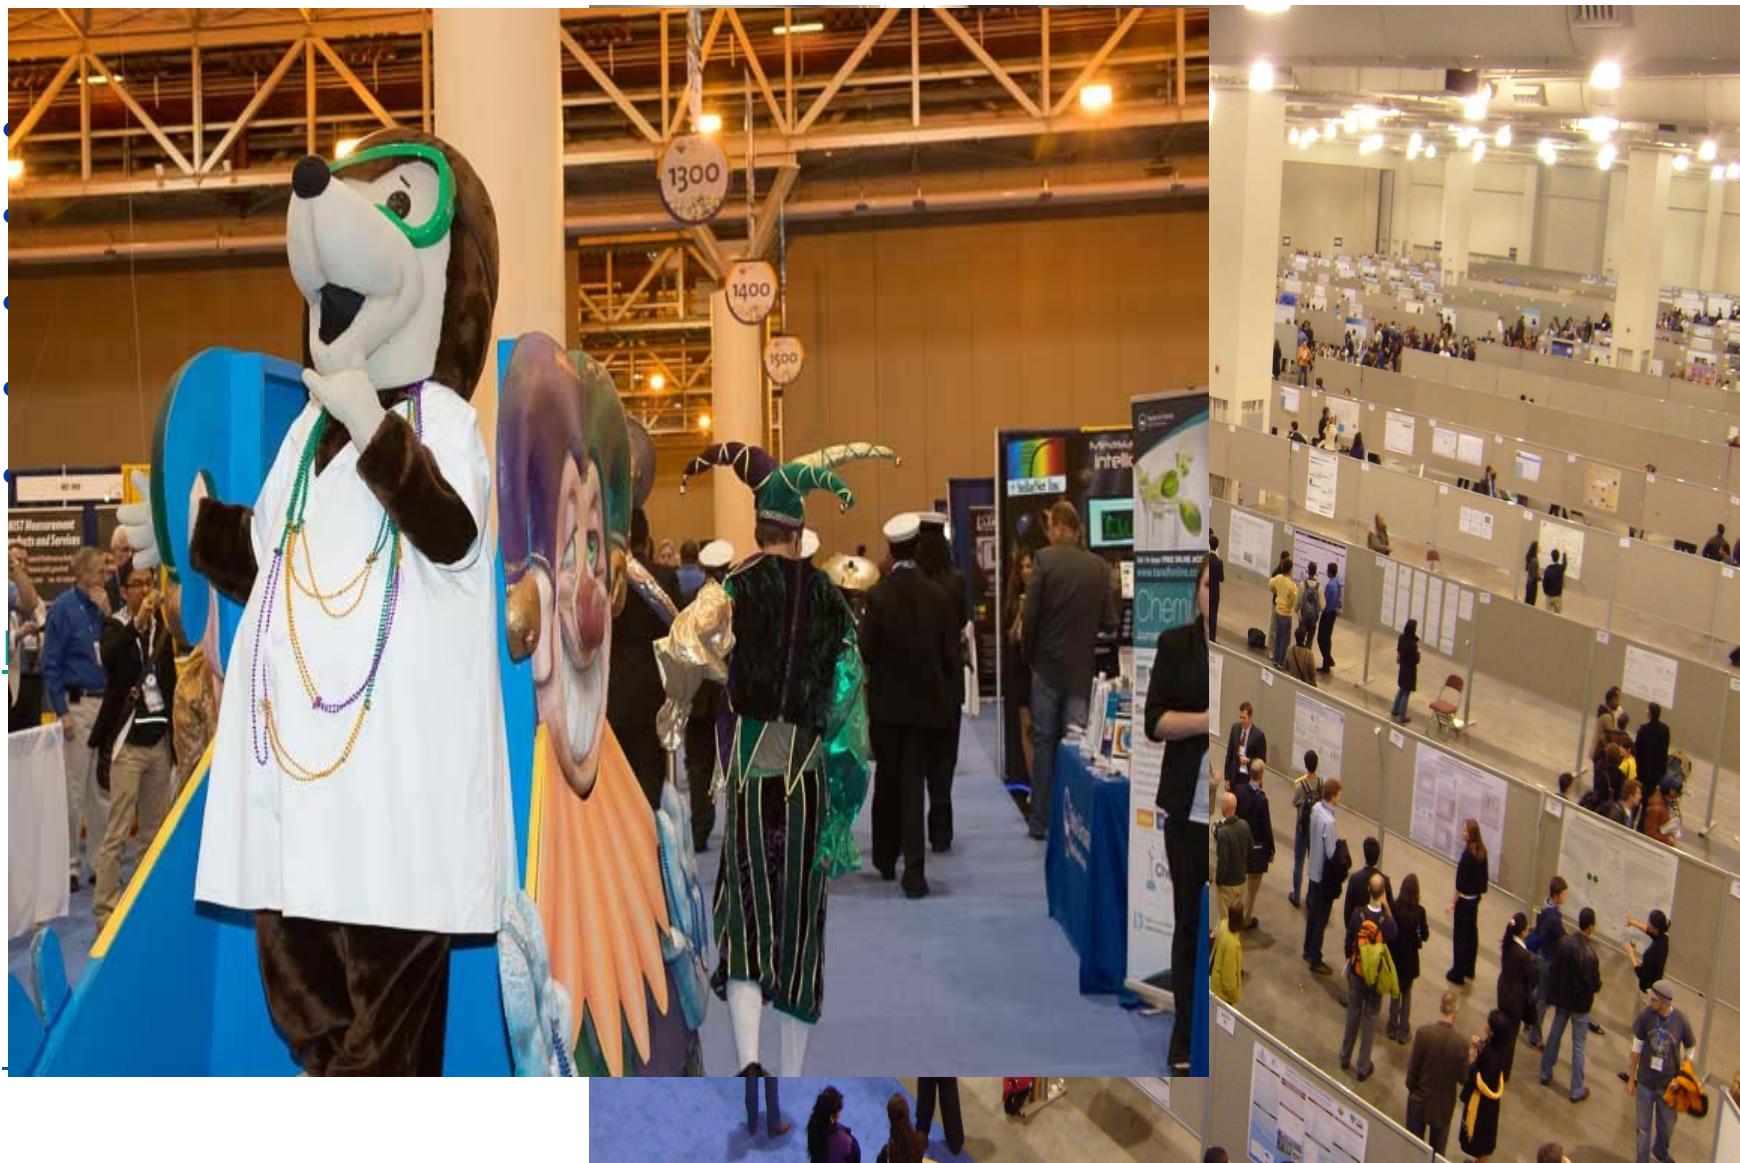

Presented by the UCLA Departments of Physics & Astronomy, Earth and Space Sciences, and Atmospheric Sciences, CNSI High School NanoScience Program, Center for Environmental Implications of Nanotechnology, and the center for Student Programming.

Funded by Campus Program Committee of the Program Activities Board

Sunday
November 17,
2013
12-5PM

See Samuel Chiang if interested.

ACS MEETING: INFO

ACS Meeting: Cost Estimate

	Lower Estimate	Upper Estimate
Fee, undergrad member	95	95
ACS membership	25	25
Flight	100	140
Public transportation	70	100
Lodging	TBD	150
USAC travel grant	100 per person	NA
ACS travel grant	300 per club	NA
Fundraising	TBD	NA
TOTAL	190	510

SCALACS Meetings

- Several meetings per year
 - School day evenings
- LA Area
- \$30, including dinner
- Guest speakers

<http://scalacs.org/>

BAKE SALE!

Tuesday October 22, 2013

- Periodic Table Cupcakes
- Cake Pops!
- And more baked goods!

T-Shirt Contest!

**SUBMIT YOUR T-SHIRT DESIGNS TO
ACSBRUINS@CHEM.UCLA.EDU**

ACS Member-Get-A-Member

- Refer a friend, student, or colleague for membership—and get a free blanket!

Why Join ACS?

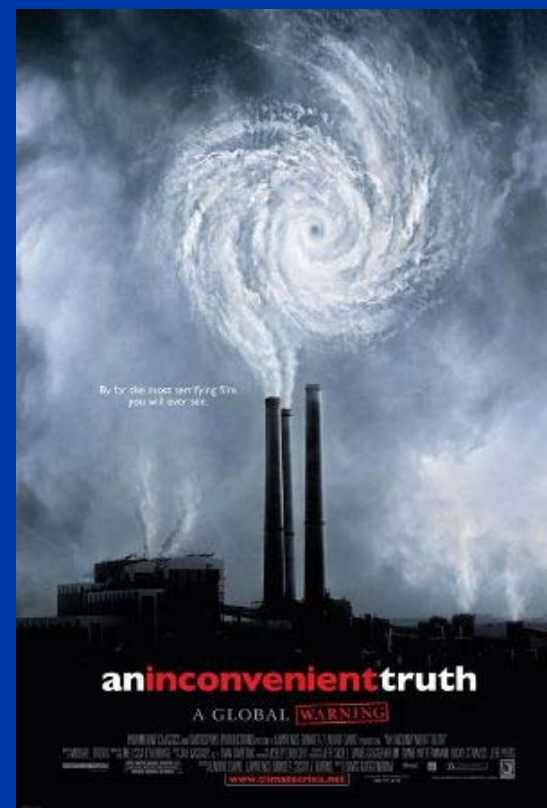

- Optional subscription to Weekly C&EN Magazine
- Discounts to all ACS sponsored meetings
- Career Resources and Consultant Services
- \$25/year

Green Chemistry

What to Look Forward to this Year

- **Explore why green chemistry matters**
 - Faculty presentations/guest speakers
 - Environmental film viewings
 - Field trips!!

*Interested in helping out? Want more info?
Contact Grace at gracethechemist@yahoo.com*

Green Chemistry

What to Look Forward to this Year

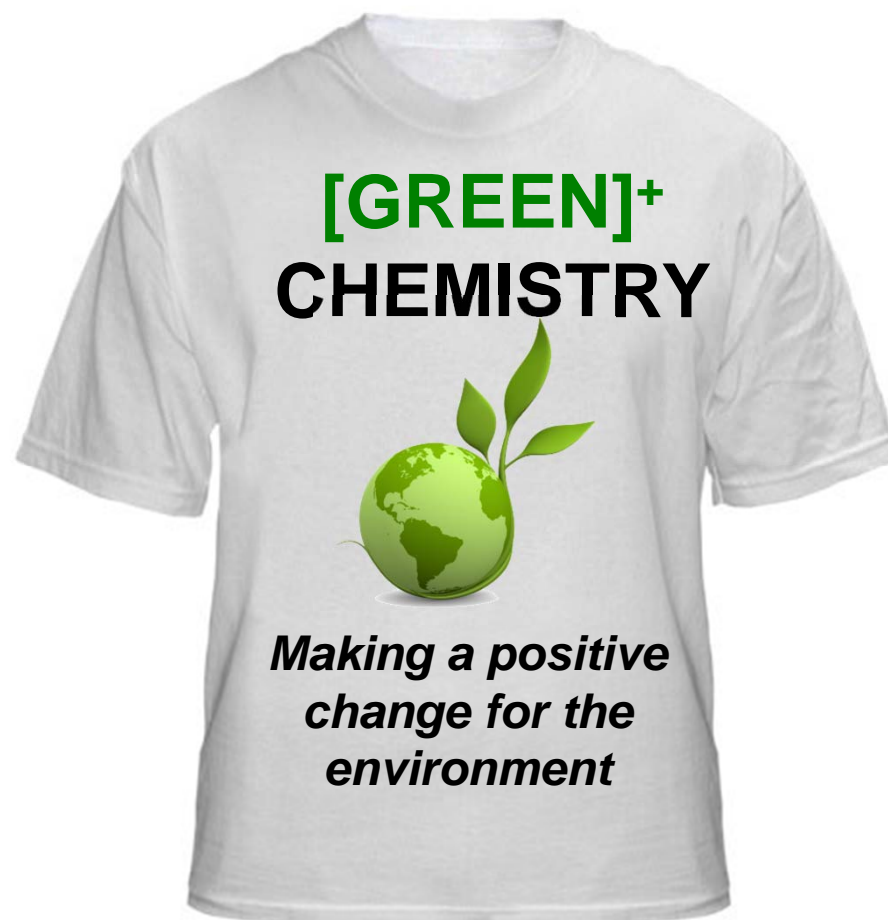

- **Promote Awareness About Green Chemistry**
 - **Earth Day Fair 2014**
 - **Green chemistry T-shirts**

Interested in helping out? Want more info?

 Contact Grace at gracethechemist@yahoo.com

Green Chemistry Potential Shirt Design

ATMOSPHERIC CHEMISTRY— SPECIAL GUEST

ACS
Chemistry for Life®

David Gonzalez, Graduate Student

B.S. Chemistry, Atmospheric and Oceanic
Sciences Minor; UCLA 2012

Currently a member of Dr. Suzanne Paulson's
research group

*Stay tuned for an exciting atmospheric chemistry
lecture and research opportunities!*

UNDERGRADUATE RESEARCH

DR. RICHARD WEISS

Ice Breakers!

&

LIQUID NITROGEN ICE CREAM!
