PROLIFIC.—On the 2d of August, Mrs. Timothy Bradley of Johnson, Trumbull county, Ohio, gave birth to eight children—three boys and five girls. They are all living and are healthy, but quite small. Mr. B's family is increasing fast. He was married six years ago to Eunice Mowery, who weighed 273 lbs. on the day of their marriage. She has gives

on the day of their marriage. She has gives birth to two pair of twins and now eight more, making twelve children in six years. It seems strange, but nevertheless is true, Mrs. B. was a twin of three; her father and mother both being twins; and her grandmother the mother of five pair of twins. Mrs. B. has named her boys after noted and distinguished men. One after the Hon. Joshua R. Giddings, who has given her a splendid gold medal; one after the Rev. Hon. Elijah Champlin, who gave her a deed of 50 acres of land; and the other after James Johnson, Esq., who gave her a cow.-Mr. Bradley says that it is profitable to have twins, as the neighbors have clothed the others ever since they were born. Mr. B. is a poor, industrious laborer, but says he will not part with any of his children while he is able to work .- [N. Y. Tribune. COMET LITERATURE. - They have smart
